

## NEWS RELEASE

### **Python Manufacturing Inc. and Rite Way Mfg. Co. Ltd. Appoint New Chief Executive Officer**

**REGINA, SK May 26, 2009** Les Hulicsko, president of Python Manufacturing Inc. and Rite Way Mfg. Co. Ltd. is pleased to announce the appointment of Don Exner to the position of chief executive officer effective June 1, 2009.

Exner re-joined the organizations following a highly successful management career in the manufacturing industry, both in Saskatchewan and Alberta.

A former resident of Saskatchewan, Exner brings proven business credentials back to the province and to Python and Rite Way. Hulicsko says, "I am really happy to have Don back with us. He has always demonstrated strong leadership abilities and has an excellent understanding of the manufacturing industry."

Exner will be involved in developing strategies aligned to the companies' ongoing commitment to develop quality industrial and farm equipment and to the further growth of the businesses.

Rite Way Mfg. Co. Ltd. manufactures innovative short line farm equipment including land rollers, rock pickers, heavy harrows, midrange harrows and rotary harrows. Python Manufacturing Inc. manufactures a line of street sweepers, a one-person operated pothole patcher and a revolutionary new combine harvester.
